MINUTES OF A MEETING OF THE VILLAGE COUNCIL HELD ON ON WEDNESDAY 11 SEPTEMBER 2019 AT 7.30PM IN THE METHODIST CHURCH CULLINGWORTH

PRESENT: Cllrs. H Martin, M Galvin, M Ahir, L Ackroyd, M Thomson, A Bostan, M Welthy and the clerk Angela Holmes

FIFTEEN MINUTE RULE: comments from the general public: A resident attended to complain about the reduced bus service now in operation. The service to Bradford and Keighley had been cut to one bus per hour from previously two per hour and the evening service had been reduced to one per two hours rather than one per hour. The reduction had resulted in forward journeys from Bradford being missed and the Denholme connection to Halifax no longer possible. Parts of Denholme had been left without any buses at times. Councillors were advised of a petition at the Coop store that had attracted over 800 signatures; enquiries would be made as to where this had been forwarded to.

3787 APOLOGIES FOR ABSENCE: were received from Cllr. B Craig who was on holiday.

3788 DECLARATION OF INTERESTS: None

3789 MINUTES OF THE LAST MEETING: The minutes of the Council meeting held on 7 August 2019 were approved and signed

MATTERS ARISING: Chicken Factory: Photos received of parked HGV had been received on Station Road and these had been forwarded to HCF for comment. Martin and Ackroyd would request a further meeting with the HCF in the near future.

3792 PORTFOLIO REPORTS:

a) PLANNING:

Applications to discuss:

Application 19/03311/FUL 27 Highfield Terrace – Alterations to existing end terrace dwelling and construction of new dwelling attached to number 27.

The new build attached to the existing property will match roof height and be of similar scale to the

existing structure. All materials need to match the existing property including doors and windows. The new dwelling does not appear to be out of character with the street scene. It appears there will be off street parking for two cars for each property. This is over the minimum standard which is one for each dwelling. The new porch appears to be in keeping with the original property.

3793 REPORTS FROM OTHER BODIES: Great Northern Trail: Cllr. Bostan reported on the recent meeting where it was reported that Bradford Council was now willing to support the plans to extend from Doe Park to Cullingworth and eventually from Cullingworth to Keighley.

3794 REPORTS OF EXTERNAL MEETINGS AND COMMITTEE:

Bingley Rural Parish Council Partnership meeting: Cllrs. Thomson and Ahir reported on the meeting where it was reported that the speed camera vehicle would not be moved from its present position. The possibility of placing golden ribbon strips on the A629 was rejected as was the scheme for a 20 mile per hour limit in the village. The matter of the removal of railings at the new Coop store side of the zebra crossing was discussed and it was pointed out that these had been taken down initially to aid building the new store and the Village Council were not asking for additional railings but the reinstatement of the original. Having been given the new regulations regarding railing by Highways, the question was asked if they would be culpable in the case of an accident occurring there due to the removal. **It was resolved** at the council meeting that the Coop be written to asking them to pursue the matter.

A further drop in meeting would be arranged for Cullingworth in the not too distant future. Parking at Parkside was being looked at for 2020. Reports of youths congregating by the bench at the bus stop by Royd Wood flats was being investigated by the PCSO.

3795 DATE OF NEXT MEETING: It was resolved to move the time of future council meetings to 7pm rather than 7.30pm and this would take effect from the next meeting on 2 October 2019.
