MATTERS ARISING: Chicken Factory: the Clerk contacted Planning to register attendance at the meeting to discuss the Factory's CHP plant planning application. Due to the lockdown no planning meetings have been held and there is as yet no new date. The Council will be informed when a new date is arranged.

Bingley Stone: There is a newly built extension for which no planning permission information is available. This may reduce dust issues at the company. The Clerk will seek further information.

Guard rail at Coop – a response has been received from Bradford Council. The Highways department does not support the reinstatement of the guard rail outside the Co-op.

As there is a general feeling in the village that the guardrail should be replaced, the Clerk will contact the contractor about the decision not to reinstate.

Flagpole: Now repaired. With thanks to Cllr Ahir.

Lengthsman: Cllr Martin has contacted a representative of the Village Hall, who is following up the details of the storage unit. The Clerk has contacted the Council about the additional hours. The process of appointing staff is proceeding but has been held up due to the coronavirus situation.
